SUBJECT.

Revision of the Establishment of the Travellers Bungalows and Musafirkhanas in the Kolar Dt.

Proposal re- the increase of pay to a definite no. of servants in the 3rd. Class Travellers Bungalows and Musafirkhanas in the Dt.

W D 88—GPB—50,000—24-7-16

Disposed

III Class Travellers Bungalos and Musafirkhanas in the Kolar District

Memo

In reply to a query from this office as to the necessity for the retention of 2 or 3 servants in each of the following 6 Bungalos, the Dy Comr states that the reduction of establishments contemplated is not desirable and in support of his statement he submits a copy of the B. & B. Board's resolution dated 21/1/95 (Para XIII) in which the retention of the servants is recommended in them with the remark that in places where the Bungalos are rarely resorted to, the Bungalos themselves might be abolished. The no of servants employed, & their cost together with the no of halts made and fees collected in them are given in the following statement.

No	Bungalos	No of servants	Cost of servants per annum	No of halts in a month	Amount of fees collected in a month		
1	Vemgal	2	11	13/24	"	2	2
2	Talgavara	2	11	1	"	1/2	1/2
3	Mulbagal	3	15	3 1/2	"	12	2
4	Jangamkote	3	15	2 1/8	"	6	5
5	Penukonda	3	15	1 1/8	"	9	9
6	Gundlamarapalli	3	15	1 1/6	"	13	2

2. From the above, it would appear that the smallness in the no of visits and fees collected do not justify the retention of more than one servant, as in Chikaldony, where only one caretaker on Rs 5 was allowed, to be retained, the others being done away with. In each of these Bungalows situated in these important centres in the Dcst, the retention of the existing servants is absolutely necessary. Likewise the Dy Comr is not in favor of reducing the three servants costing Rs 132 per annum now employed in the Chalthana at Dhabhallapur on the ground that it is frequented by people from different places on account of commerce and on their way to the Railway station at Doddballapur.

(3) Orders are solicited whether the existing servants may be allowed to be retained in each of the above 4 bungalows.

(4) The proposal to debit Provincial funds the cost of a Sweeper now employed in the III class Travellers Bangalo on the Nandi Hills, which has been converted into an Inspection Bungalow and reserved for Govt officers, to pay, I beg to submit be approved.

From The Secretary to the

To The Executive Engineer

Dated, Bangalore, 2nd June 1888.

Executive Engineer's No 305 of 18th May '88 submitting for sanction an estimate amounting to Rs 2,960/- for constructing a 3rd class Travellers' Bungalow at Rimmer - pur.

Returns the above estimate sanctioned for Rupees 3139/- and informs that the design sanctioned for the Travellers' Bungalow at Dibburthole (vide this office No 232 of 25th May 1888) has been adopted for this building also. A slight alteration has now been made in the relative position of the doors and windows in the main building and a new door inserted in the cross wall between the main rooms - vide enclosed plan. These alterations should also be made in the sanctioned plan of the Dibburthole Travellers' Bungalow.

II. A site plan should be forwarded for formal approval, after obtaining

~~Commissioner's~~ Superintendent's Circle.

III. In selecting the position formerly occupied by Mr. McLaughlin's temporary bungalow care should be taken to avoid old wells in the foundations. A piece of ground of fair size round the Circle Indus Hillock seems more desirable, a few casuarina trees near the building would scarcely be an acquisition. The bungalow should not be constructed too near the high. A well may be provided with a ~~water~~ [illegible] at Dibbumbelle.

V. An appropriation of Rs 1,000/- has been made from the reserve grant at Superintending Engineer's disposal under 'Original Communications' Provincial Fund.

Subject.

Nie No 137 of 2nd March 1888, submitting for sanction plan and estimate amounting to Rs 2864/- for constructing a 3rd Class Travellers' Bungalow at Gibbanahalli on Chintamani-Bagepalli Road.

Returns the above estimate duly sanctioned for Rs 3043/-, as modified in this office; and informs the Executive Engineer that there is an allotment of Rs 6000/- for the work in the Provincial Budget for 1888-89.

II.— The roof should be hipped over ends of the main [redacted]. The dimensions of the main rooms have been altered from 16'x16' to 18'x14' (vide alterations in plan). Provision for these changes have now been made in the estimate — as also for providing Teakwood doors and windows, instead of Sunderwood ones.—

III.— The site-plan is returned approved.—

IV.— With reference to the concluding para of the Executive Engineer's letter, informs that the necessity for the other buildings referred to, with the exception of that at Sadgarh, is admitted; but as far as can be seen at present, funds can be provided only for the three lodges for which estimates have been called for in this office No. 2061 of the 11th instant. If funds can be made available later on, for the remaining buildings, the Executive Engineer will be informed.

Executive Engineer's No. 1415/215 of 4th ultimo, submitting for sanction, an abstract estimate with plans amounting to Rs 2,744, providing for the construction of a 3rd Class Travellers' Bungalow at Gori-bidnur, according to the standard design.

———"———

Returns the above abstract (with a detail estimate prepared in this office attached thereto) duly sanctioned for Rupees 2,600 as modified. ——

II. — The thickness of the walls

of the back rooms in rear has been made 1½ feet, instead of 1½ feet allowed in the standard design. Cast stone fillets of the accompanying design have been provided for the Verandahs. Stone-in-chunam has been substituted for Brick-in-chunam, and a rate of 0.2.9 allowed for this item of work.—

III.— The provision for a Kitchen for high caste natives has been struck out, as this item of work can conveniently lie over for the present.—

IV.— An allotment of ₹2000/- has been provided for this work in current year's Provincial Budget.—
